EDUCATIONAL DEVELOPMENT & ASSESSMENT SUMMARY

Washington University in St. Louis

Designed and facilitated workshops for faculty, graduate students, and postdocs on a variety of educational development and assessment topics; Completed one-on-one consults with faculty, graduate students and postdocs on teaching, assessment, and the scholarship of teaching and learning (SoTL); Facilitated semester-long GSPD seminar on SoTL; Facilitated Course Design Institutes with faculty; Mentored grad students and served as their PI on active SoTL projects; Grant writing; Designed and analyzed university-wide instructor surveys on pandemic teaching; Assessed CTL programming through participant surveys and other measures; Reported assessment findings to internal and external stakeholders; Coordinated CTL's social media.

Cornell University

Guided faculty members in transforming their large courses from lecture-based to active learning; Designed active learning classroom activities; Mentored TAs on teaching and instructional design; Designed and fielded assessments to measure program success; Collected quantitative and qualitative observational data in

classrooms; Collaborated with faculty colleagues on SoTL; Participated in the university's SoTL community through workshops, lectures, etc.
